

Dear Members,

For more than 45 years the Member-Guest Tournament has been one of the most popular events at the Club. We want to thank everyone who has played and continues to support this fun event. The purpose of the Tournament is to bring members and their guests together to play golf, socialize, and introduce non-members to the Club.

In recent years participation has declined. Members have suggested that the cost of this event may be a deterrent to playing. The Tournament Committee is working to make changes which reduce the cost while maintaining the integrity of the tournament and encouraging greater participation by the membership.

Included with this letter, and available on line, is the new application form and fee structure for the 2018 Member-Guest Tournament. The new base cost (not including carts) is \$260 per team, down from \$310 last year. The registration form and initial payment includes all fees, except voluntary "skin game" or "bull's eye" game participation. Mulligans will be complimentary this year. No welcome gift is included within the fee structure.

There will be a complimentary practice round on Friday (cart extra), as usual, and an optional "skins game" will be offered.

Saturday will begin with registration and coffee & pastries will be provided. Starting times for golf (7:30a.m.-1:30p.m.) may be requested on the registration form. A buffet luncheon is included.

Sunday will begin with an included continental breakfast (coffee & pastries), replacing the breakfast buffet. Other breakfast items, if desired, will be available for purchase at the restaurant. Golf will be a shotgun start at approximately 8:30 AM followed by a full dinner.

Flight prizes will be increased evenly over each flight, but fewer on course prizes will be offered. Enclosed please find the entry form, please fill out and return with appropriate fee.

You will be able to see your Saturday tee time on our website [www.coreycreekgolf.com](http://www.coreycreekgolf.com) it will be under tournaments Men's member-guest.

Hopefully the changes will encourage more members to play, enjoy the weekend and support the Club.

Please send entry form and appropriate fee to:
