Due to last years rain out, teams that participated in the 2021 Men's Invitational weekend carts will be credited to this year's Invitational. If you played last year, please do not send a cart fee, just the entry fee. Remember that your weekend skins carried over as well. Your team will be automatically entered into weekend skins game. Friday skins were paid. It remains an optional day for play, but if participating, skins and cart will be due for the Friday round. Those of you who did not receive that \$50 proshop voucher and free rounds, we have your envelopes here in the club house. Some mailing address's came back as not in use. Let's all hope for better weather this year and thank you all for your continued support.

In these everchanging times, we hope everyone is healthy. Safety is our highest priority during the pandemic. Due to this meals, times, etc. are subject to change to stay within state guidelines. Restrictions are updated every week and as time goes on, we will evolve to make the Invitational follow suit. We appreciate all your support and understanding and hope to see you in July!

Thank you !
